

REMARKS

Per the advisory action, claims 1-34 are allowed, and claims 35-40 continue to be rejected. With this paper, an amendment is made placing the application in condition for allowance by canceling claims 35-40.

In addition, this paper changes the claims to remove all reference labels.

It is believed that all of the claims now pending in the application, namely claims 1-34, are in condition for allowance and their passage to issue is earnestly solicited.

Respectfully submitted,

27 March 2006
